Seychelles, 16th Nov 2022 - An exclusive Interview report with ProBit Globals' spokesperson

Q. Looking at the market condition right now what makes ProBit Global special?

A. ProBit Global provides strong security by offering cold wallet storage to its users. Cold wallet storage is the most secure, and safe from asset loss or third-party dependence. Extra secure for long-term traders, Hodlers, and big finances as it makes it impossible for hackers to hack the account. In general, exchanges do not offer such a facility but for us safeguarding users' assets is at the top of the priority list. We provide smooth service to both IEO project clients and users as we provide them with 2million+ users interaction and hold a position in the top 20 exchanges. We have NEVER HAD and NEVER WILL use the user's asset for any kind of collateral. Users can redeem their assets according to their will.

Q. How will ProBit Global work there way out of the current bear market challenges?

A. Bear market or Bull market ProBit Global always cares about the users. In the Bear market, we organized great exclusive deals like BTC, BNB, and ETH 50% off, etc. The event was a huge success. In a bear market, these exclusives are a breath of relief for our users. We also provide them with the utility token PROB from which they can enjoy the lowest trading fees. We have trading bots like Deltabadger, and Hummingbot to reduce the risk of volatility and prevents major losses. Every other Monday we release new Airdrops as well where users can earn by doing simple tasks. ProBit Global supports the lowest trading fees.

Q. What is the most significant achievement for ProBit Global so far?

A. ProBit Global has crossed so many hurdles and stood faithful in the eyes of the users. The biggest achievement is the amount of trust IEO projects have shown toward us. IEO project clients know that we DO NOT support any hidden fees or MM charges. On the other hand, we provide them exposure in 11 major languages and cover 192+ countries. It is humbling that we are also called 'IEOs specialists'. We have raised \$30 million for the IEO projects so far. We have listed more than 800 coins. We have dedicated social media platforms for major regions with trending posts and tweets. ProBit Global is also available on the App store and Google play store as well.

Q. What suggestions do you want to give to potential crypto traders and IEOs project clients?

A. ProBit Global always encourage users to do their own research before joining us. We strongly recommend users follow us on our social media for any updates. We provide additional security like 2FA to protect users from probable scams. We have events running throughout for beginner traders to gain experience. For IEOs project clients, we have customized plans and offers to accommodate their needs and deliver results. If you haven't started trading yet you can begin here: <https://accounts.probit.com/en-us/signup>

Q. Any upcoming exclusives event for the ProBit Global users?

A. Time-to-time ProBit Global holds special exciting events for their users. The most recent was actually a new feature called Learn&Earn. Where users not only got the chance to earn free crypto but also got to learn about them. And about an upcoming event, We have some exciting news as ProBit Global is turning 4 soon so certainly there is going to be a huge celebration where users can participate and earn huge amounts of crypto. Please stay tuned and follow us on social media for the latest announcements.
